Do we believe the scriptures or not? Do we need a decoder ring to figure this out?

PHILLIPS So the last Adam is a life-giving Spirit. But we should notice that the order is "natural" first and then "spiritual". The first man came out of the earth, a material creature. The second man came from Heaven and was the Lord himself. For the life of this world men are made like the material man; but for the life that is to come they are made like the one from Heaven. So that just as we have been made like the material pattern, so we shall be made like the Heavenly pattern.

MSG We follow this sequence in Scripture: The First Adam received life, the Last Adam is a life-giving Spirit. Physical life comes first, then spiritual—a firm base shaped from the earth, a final completion coming out of heaven. The First Man was made out of earth, and people since then are earthy; the Second Man was made out of heaven, and people now can be heavenly. In the same way that we've worked from our earthy origins, let's embrace our heavenly ends.
