## Tribulation - Tribulation - Beheaded

By Dan Maines

### **Tribulation - Beheaded**

If we're in the tribulation and the end is about to come then some of you are about to be beheaded.

Sorry, I had to get your attention. Don't let this scare you, none of this is true. We're not in any tribulation and you're not going to get your head chopped off. There are too many people out there trying to change history to match what they think the bible teaches. The only problem with their ignorance is it already happened 2,000 years ago. Religion has ingrained peoples minds with fear and their taught the world is coming to an end.

When you make the bible all about you, instead of the actual people to whom it was written to, you will live with nightmares and horror. The truth is, the bible is to understand God and what happened in the 1st century, so that we can live in love, not in fear.

There is no fear in love, but perfect love drives out fear, because fear involves punishment, and the one who fears is not perfected in love. 1 John 4:18

The bible teaches us how to live on this earth before we go to heaven. Conforming to the worldly ways, will keep you in the scary end times mind set, taught by today's church. People forget that other generations have gone through way worse things than what we live in today. There's nothing new in history. Everything happening now has happened before and may happen again, because the Christian Age has no end. (Ephesians 3:20-21) Today, people find fear when reading the book of Revelation because of there already formed mind set. Revelation is encouragement for the church, not made of hands.

When you really think about how you were bought with a price to be freed from fear and the bondage of this world, all will be well, when you can say "it is well with my soul".

For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's. 1 Corinthians 6:20

Friend, there is so much more truth and comfort in fulfilled prophecy. I pray that you find it. God Bless.
